

JUGGLING IS FUN!

LEARN TO JUGGLE WITH DOUG THE GREAT

A fun way to learn juggling skills in a few quick and easy steps

You are never too old or too young to learn a new skill

Professional Juggler and World Record Stilt Walker Doug Hunt presents his “grade school progression” method of teaching the basic three ball cascade.

Doug's method

Each student starts with one ball “Kindergarten Level” and proceed through grades\steps all the way to juggling three balls at the “University Level”. All this in one hour!

Note: Doug brings all required equipment for up to thirty students.

At the end of the hour long “Learn to Juggle” session, Doug performs a fun and entertaining juggling show.

Important message from Doug

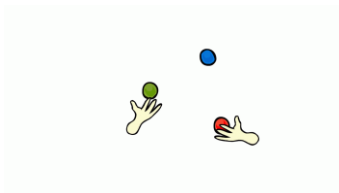

Learning a new skill can be uncomfortable or even scary, especially in a group with your peers!

Doug's Promise

EACH NEW STEP (GRADE LEVEL) YOU TAKE TO LEARN TO JUGGLE IS EASIER THAN THE LAST!!

The focus will be on the fun while learning a new skill! Together we break down something that looks hard to enjoyable and easy steps!

“If you think you can or you think you can't - you are right”
Henry Ford
